

Dear Parents,

Welcome to second grade. I am looking forward to working with you and your child during the 2006 - 2007 school year.

Supplies needed for the school year are as follows:

- 4 single subject spiral notebooks
- 1 pack of loose-leaf notebook paper
- 1 box of crayons
- 1 pack of multicolored construction paper
- 2 pencils with erasers on them for each day of school
- 1 pair of scissors
- 1 bottle of glue or glue stick
- 1 box of tissues
- 1 folder with pockets

Make sure your child's name is on all the above items except tissues.

Please do not let your child bring a wheeled book bag, because they are too large to fit in the lockers. In order for everything to fit in your child's desks, crayon boxes should be no larger than 8 x 5, and there is not enough room in the desk for trapper keepers.

May I suggest that this summer you keep your child's mind sharp by having him or her read books silently and orally, practice manuscript writing, and do math activities in your everyday routine such as measuring, adding, and subtracting in cooking or other projects. Practice words listed on back of this page.

If your child has special needs such as an assignment book or medications, please let me know at the beginning of the school year. Thanks.

I hope you have an enjoyable summer. See you in August.

Sincerely,
Elizabeth Mitchell
