

40 ASSETS

What are Developmental Assets? Search Institute's 40 Developmental Assets® are concrete, common sense, positive experiences and qualities essential to raising successful young people. These assets have the power during critical adolescent years to influence choices young people make and help them become caring, responsible adults. The list below describes the 40 Developmental Assets for Adolescents (ages 12-18). To learn more about developmental assets, visit the Search Institute at <http://www.search-institute.org/assets/>.
